Ms. Montes has been in the real estate property management industry for over 25 years and has overseen a 7+ million sf portfolio including retail, office, multifamily and student housing. She is the founder of APT Property Management Consulting and holds a CPM and CAPS certification and is an IL broker.

APT Property Management Consulting provides professional consulting services with exceptional results to investors who manage their own properties, and to property management firms nationwide. Services include operations assessment, writing SOP manuals, training, lease-ups, marketing, due diligence, etc.

Where you may find me when I'm NOT working: When she is not working, you may find Barbara traveling for pleasure, bike riding, trying out a new recipe or reading.
